Free Download Full Movie The Stranger.Q: Why won't the UITextField enter numbers? I have a UITextField and several string inputs in the UI called "Q" "R" "S" etc. On the class I have a method that takes in a String type parameter, but when the method is called, it takes in a "Q" in the text field so the method doesn't do anything, while all the other strings pass just fine. This is how I'm calling my method: [self _calculate:money.get(@"Q")]; I can't figure out why my text field won't let me enter numbers, or even words. The only method I can think of that might be a problem is setEnabled() but I 50b96ab0b6
